Springtime brings the morning light  
And calls 'Come plants now, please  
Wake up! Wake up! Sleepy heads  
Stretch your new green leaves'.

Summertime brings sunshine  
In the middle of the day  
And calls 'Come on you plants now . . .  
Everyone out to play'.

Autumntime brings afternoon  
And calls 'Come plants now come  
Time to do your ripening  
In the Autumn sun'.

Wintertime brings darkness  
And calls 'Come plants now - bed!  
Snuggle down into the earth  
And rest your sleepy head'.
